

Name: _____
 Honors Economics

Period: _____
 Mr. Crawford

Research, Research, Research!

Using the table below, fill out information about the companies you and your teammate have researched using the Fundamental and Technical Analysis worksheets.

| | Company | Symbol | Share price | Explain briefly why you picked this company in the space below: |
|----|-------------|--------|-------------|--|
| | Example Co. | EXMP | \$30 | Medium sized company based in Miami which repairs iPhones, 5 years old, profits are good, and the shares aren't too pricey. No dividends but possibilities for future capital gains. |
